The distance was long for him,jockey had a hard time harmonizing.	Northern Dancer Inbreed runs well for the second time. He has a Northern Dancer 4x3 cross. So he may run fast. But the members are very strong…

And he was a very strong winner. Since he was in the lead, I think the wind had a strong effect.	I think it's very advantageous for him to be able to enter the Coronation Cup. ENABLE is a very strong horse, but I feel like it will be a match race.
3	④	Galileo / **Japan** (GB) / Shastye·Danehill / D·Smith & Mrs J Magnier & M Tabor & Masaaki Matsushima(Mensch Rd)	58.5kg Ryan Moore male 4 1 3 6 bay (123)	Stalker ←－－－ Θ Δ E Τ I ·· ② 4.9 1.8-5.1	A P O' Brien 21% 550/2637 342/ 540	10 — 5 — 0 — 1 8 — 4 — 0 — 1 10 — 5 — 0 — 1 ④③①①①④④	17 Jun 2020 Ascot （GBR） 1m1f 212yds Good （2m06.5） Prince Of Wales's Stakes (Group 1) ④ 5½ Lord North （James Doyle） **Ryan Moore** (57.0)· **A P O' Brien** 6/4F 9-0 7ran ③③③③ I was expecting him more because he was running comfortably. He couldn't run faster in the end than he thought.	Japan is a very strong horse. I was watching Japan at LONG CHAMP last year. The owner has changed to Kiefers. I wanted you to ride YUTAKA TAKE.

It seemed to me that his last spurt was a little late, but he sprinted to the end.	Regal Reality's father is my favorite intello. I was in Chantilly when intello won the French Derby. The distance is the best so I want him to feel good.

She was not at a disadvantage. And I was running very lightly, so I was surprised to lose.	I am proud of Japanese horses competing in the world's biggest races. I want you to show the high level of Japanese horses. I'm sure Japanese horses are strong.

But Enable was overtaken at the end. I don't know why her lost. Her condition seemed to be good.	I support ENABLE and Mr. Gosden. I traveled around the world to see her. She is very strong. And beautiful. I am very happy that she runs. I'm sure she will win!!

After changing the order of the legs in a straight line, she was able to run even faster.	Magic Wand is a very tough horse. She ran in seven countries. I'm very surprised. And she was second in the Race of grade 1 eight times.
